

As the Office Manager of **Rosario Counseling & Associates** I want to invite you to our Social Media Launch! You now can find us on Facebook and LinkedIn or send us a tweet.

We have served the greater Raleigh area for 20 years. One of the best compliments you could give us on our service is to **"Like Us"** on our new facebook page.

January 2014

A

Charlene Williams
Office Manager

WELCOME TO OUR SOCIAL MEDIA PAGES!!!!!!

Like Us on FACEBOOK

Facebook will be our platform to post message created by our therapist to provide encouragement, direction and clinical information. You will also be able to access; resource websites and other linked articles that our counselors feels will foster our goal of Renewing Hope & Restoring Passion!

<https://www.facebook.com/rosario.counseling>

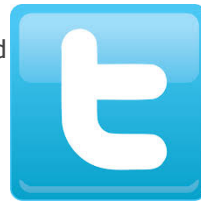

Follow us on TWITTER

Rosario Counseling & Associates will use Twitter as a means of communicating at a fluid and rapid pace with hundreds or thousands of people. The ability for others to follow us and interact with users to reach out to multiple communities and individuals across the world.

Broadcasting messages of Hope, Coping

Techniques, social issues or current event that we find helpful for our followers. Follow us and share our post using the hashtag "#rosario" this will place our tweets in front of any community or person searching for a similar topic.

Connect with us on LINKEDIN

Rosario Counseling will make important business & individual contactations via LinkedIn. Our goal is to remain in constant contact to other therapist, counselors & professional in our industry. This will extend our impact in our professional community as well as open doors to relationships with other professionals in our

Social Media is a powerful resource to provide local and global communication to a vast number of subscribers at once.

Rosario Counseling through our social media accounts will will provide constant contact with our follows, subscribers, clients and friends to what's happening in the World of Therapy.

We encourage you to subscribe to our social links and share with others.

Rosario Counseling will continue to respect our clients privacy and would never share confidential information via social media.

This tool will simply be used to share tips of the day, week & month with our subscribers. We will post upcoming events. There will be continual

field. We will conduct think-tank group sessions via the web and join other established groups to share knowledge and gain clinical information, that will be valuable to our day to day client care. www.linkedin.com/in/rosariocounseling/

Subscribe to us on GOOGLE+

Google+ is the second-largest social networking site in the world after Facebook. Google + is a quick download to your mobile phone and a great feature for those who use Gmail. We will use this tool to post articles and photos of events we have conducted or activities we have attended. We want you to visually have a connection to our office and know that our counselors are active in our communities.
